WWW PROJECT'S LATESTS NEWS

CHECK WHAT WE HAVE BEEN DOING LATELY, MANY THINGS ARE HAPPENING!

Project results status:

We are happy to announce that our **storytelling videos** are ready and launched!

Our Wonder Women are telling their stories regarding their experience in entrepreneurship. You are more than welcome to see their interviews both in our Youtube channel (<https://www.youtube.com/@wonderwomenworks>) and web (<https://www.wonderwomenworks.eu/>)

WWW Webapp is ready to be piloted during the month of June!

All feedback collected from our pilotings will be analysed to produce a report and implement any necessary changes to the webapp.

Furthermore, partners are also working on PR3 and 4 of the project which consist on the development a **Blended Up-Skilling Pathways Programme for Women with Disabilities** and a **Programme Guide Pack for Women with Disabilities**. During the next months partners will also meet regularly online to keep up the good work!

Transnational Project Meeting in Marburg (Germany)

On 12th and 13th June, partners met in Marburg to update project status and set the next steps for the upcoming months. It was a very fruitful meeting where we could discuss all needed aspects, set our next goals and deadlines and also enjoy the beautiful city and german culture.
